INVOLVEMENT:

IDSA 2020-now
Member

Students for Clean Water 2020-now
Marketing & Graphic Design
I was on the digital marketing team and created graphics for social media as well as shirts and stickers for the nonprofit club

Alpha Xi Delta 2019-now
Member & Content Creator
Active member for four years and collaborated to create content and videos for the sorority and our philanthropy

DESIGN EXPERIENCE:

Highpoint Market Furniture 8 weeks
Highpoint Competition
Using a single four foot by eight foot sheet of plywood, I was tasked with creating a piece of furniture that was both innovative and efficient. Furniture had to use a minimum of 80% board.

UI/UX App Design 4 months
Client: WW&L Ticketing
Creating the ultimate fan experience for events. Focusing on college students to increase attendance and team spirit by creating an interactive app that rewards students

Futures Studio 4 months
Mobile, AL
Was a part of the Futures Studio for Auburn University, which is an immersive studio based in Mobile, AL. I collaborated on projects ranging from oyster cages to brewery seating for clients in the Mobile area.

WORK EXPERIENCE:

Teaching Assistant July-June 22
Helping teach over 40 students applying for the Industrial Design Program design principals

Design Camp Councilor
Assisting professors with the Industrial Design summer camp at Auburn University
Teaching high school students about industrial design through shoe design

Server May-August 21
Copper's Grill
Working in a fast paced environment and communicating with customers and co-workers
